### "THE SLIPPERY SLOPE"

THURSDAY, March 8 | GUEST SPEAKER

## DAVID MYERS

*Recommended for 1 CPE, Ethics \**

Today, we are pleased to welcome DAVID MYERS, Former WorldCom Controller.

**Think that this could never happen to you? Think again...**

This family man never dreamed he would play a hand in a multi-billion dollar fraud case - one of the worst in U.S. history. When David Myers graduated from Ole Miss, his career was on the fast track. He joined WorldCom in 1995 and was a rising star. In 2002, when the scandal broke, he held the position of Senior Vice President and Controller, leading a global staff of over 2000.

David was convicted of three felony counts and became a key witness in the government's case. In 2005, he began serving a year's time in a federal facility. Today, David donates a considerable amount of time speaking to groups about the lessons he learned. A compelling message for all of us.

## COMING SOON!

### DOUBTING, WORRYING & WONDERING: THE PATH TO ETHICAL DECISION-MAKING IS AWARENESS

THURSDAY, MAY 24, 2012 *Recommended for 1 CPE, Ethics*

#### PROFESSOR ANDREW URICH, J.D.

Puterbaugh Professor of Ethics and Legal Studies, Spears School of Business, Oklahoma State University

Professor Andrew Urich is concerned about the trend among people who stand up in society and tell others how to behave - they sometimes are embarrassed, disgraced or arrested. In studying the complexity of ethical decision-making, he has identified awareness as the key factor. As an ordinary person, trying to be ethical, Andrew will argue that doubting, worrying, and wondering is truly the best strategy to avoid embarrassment, disgrace, and arrest. **Bonus:** As part of Professor Andrew Urich's research on ethical decision making, he stumbled upon the secret to happiness. You will not want to miss Professor Urich's entertaining and engaging presentation.
